The “High Heels & Hats” Brunch welcomes any woman who has a heart to mother, whether it’s through mentoring, adoption or support for a family/friend experiencing a delay in parenting.

The “2015 High Heels & Hats” Brunch Keynote Speaker, Dr. Leticia L. Plummer, is a surrogacy and intended parenting rights advocate who is currently lobbying the state legislature to pass Texas House Bill 1704 Surrogacy & Intended Parents’ Rights. Dr. Plummer advocates that ***“HB 1704 is the best solution so that gestational agreements and a requirement that a pregnancy be disclosed in the suit of the dissolution of marriage.”***
