

Sparkles' Garden of Life Grant

Sparkles of Life, Inc. is a nonprofit organization dedicated to supporting couples on their paths to parenthood. We at Sparkles of Life recognize that every family building journey is unique; and we are especially sensitive to the emotional and financial burden placed upon couples struggling to conceive. That is why we have partnered with the Houston Fertility Institute to provide deserving couples with the Sparkles' Garden of Life Grant. The Garden of Life Grant is awarded to couples who demonstrate a documented need for fertility treatment. Through the grant, those whose delayed parenting journey consists of documented infertility or miscarriage(s) receive significant financial assistance to undergo In Vitro Fertilization (IVF) treatment.
